Bios of the Candidates

President: Jim Scott

Hi, my name is Jim Scott and I am running for President of FTFM. I have been president for many years and it has been a real pleasure. I am running again to give back to the industry I love so much. If I am reelected, I look forward to serving you again.

Vice President: Bill Rainbow

I have been a member of the Florida Thoroughbred Farm Managers' since September 1978, over forty years. I have held most of the positions on the Board. The Board has an important role in helping people in our industry that are in need, in addition we offer scholarships to our younger generation. It has been a privilege to serve on the Board, and I hope to receive your vote once again.

Director: Ken Breitenbecker

Hi, my name is Ken Breitenbecker and I am running for reelection. I have been a member of this organization for over 40 years. I have served in several different capacities and would like to continue to serve as director for another 2 years with your vote. This current board has been a pleasure to serve with and we have accomplished many good things for individuals and the community. With your vote, I would like to continue to serve this great organization again.

Director: Carol Moore Demme

The Florida thoroughbred industry has been good to me both in my professional career, in a supportive business, and also as a small breeder. I wanted to join the board because I believe in the necessary work we do to help the people in need who work in the equine industry. If I am reelected I look forward to continuing to serve our community.

An absentee ballot is available on page 3. Ballot must be in our office no later than 4:00 pm on Friday, February 26th.
